

2009 CAPSTONE FESTIVAL

CAPSTONE SCHEDULE – DECEMBER 14, 16-18, 2009

Each fall, the CSU Monterey Bay Capstone Festival celebrates the culminating projects of graduating seniors, credential candidates and master's students as they present their work in sessions held by each of our academic programs.

These projects reflect the synthesis of knowledge, skills and abilities developed over the course of a student's learning experience at CSUMB. They include oral presentations, original poetry, oral histories, installation art, murals, photography, performances, research presentations, online teaching and learning, tabletop exhibits, films and videos, multimedia works, computer visualizations and more.

The complete Capstone Festival schedule is available at CSUMB.EDU/capstone.
